I, _____(Student's Name),
hereby acknowledge and agree to the following terms and conditions regarding CDC (Campus Development Cell) registration for placement opportunities:

1. I understand that timely registration is crucial for participation in placement activities. If I fail to register within the specified timeframe, I will not be permitted to attend any registration or interview sessions thereafter.

2. I acknowledge that maintaining a minimum attendance of 70 percent in upcoming training sessions is mandatory for CDC registration eligibility. Additionally, my project must meet satisfactory standards as determined by the institution.

3. Upon registration, I commit to attending On-campus and Off-campus placement events as scheduled. Failure to attend three such events without valid reasons will result in the cancellation of my registration.

4. In the event that I receive an internship or placement offer facilitated by the college's CDC Cell, I commit to honoring that offer and continuing with the assigned position. If, for any reason, I choose not to accept the offer or decide to prematurely terminate the internship/job without valid justification, I understand and agree that I will forfeit my eligibility to participate in any further interviews arranged by the CDC Cell.

Furthermore, I acknowledge that such actions may result in my blacklisting by the CDC Cell, and I will abide by any management decisions regarding my status as a result of these actions.

5. I accept full responsibility for any negligence in training participation or registration processes. I understand that any such negligence may lead to the disqualification of my candidacy for attending interviews.

I,_____
[Guardian's Name], as the guardian of the aforementioned student, affirm that I have read and understood the terms outlined above. I hereby consent to my ward's agreement to these conditions and acknowledge that I will support them in fulfilling their obligations regarding CDC registration and placement activities.
